

Science

Quarter 1 Standards

1. SCL.IA.C1a: I can show curiosity.
2. SCL.IA.C2a: I can use different tools to get information about something.
3. SCL.IA.C2b: I can make a prediction and test it.

Quarter 2 Standards

1. SCL.IA.C1c: I can tell you how things in my world change.

Quarter 3 Standards

1. SCL.IA.C1b: I can tell you about things in my world.
2. SCL.IA.C1d: I can tell you how things connect to each other in my world.
3. SCL.IA.C2c: I can try an experiment again to see if results are different.
4. SCL.IA.C3b: I can tell that when one thing happens, something else could happen.

Quarter 4 Standards

1. SCL.IA.C2d: I can follow an experiment over time.
2. SCL.IA.C3a: I can use a variety of materials to collect data.
